INT. GRANDPA'S SHOP - NIGHT

JAKE sits in deep concentration doing his homework. He crosses out an answer, and scribbles another equation.

Suddenly he's interrupted by a loud BANGING!

WIDEN TO REVEAL FU DOG - banging on the TV, annoyed.

1 FU DOG
I can never get the magic channel
on this stupid thing. Here, hold
this...

Jake looks up in time to see a large antennae flying towards him. He quickly catches it.

2 JAKE
Fu, I'm trying to do my...

Fu Dog tosses Jake on top of the TV, antenna still in his hand.

3 JAKE
Homework.

4 FU DOG
Yeah, yeah, priorities kid. They're
doing a segment on The Miss Magical
World Beauty Pageant. Okay, now...

In a comic blur of moves, Fu Dog positions Jake's arms, legs and head. He then dashes away and dashes back into frame to wrap tin foil around Jake and put a frying pan in his hand. Jake ends up balancing awkwardly on one leg with his other arms and legs twisted about, holding the antenna above his head on one hand and a frying pan in another.

5 FU DOG
Perfect. Don't move.

ON TELEVISION - as the PICTURE COMES in with a MAGICAL
SHIMMER OF FX.

WE PAN a line of sexy magical women, from FAIRIES and NYMPHS
to a TWO-HEADED GARGOYLE WOMAN.

6 FU DOG
Hooo-ee! Now them's some fine
lookin' lassies!

FU - lasciviously.

ON TELEVISION - a REPORTER stands in front of A GIANTESS.

7 REPORTER
Big women. Big dreams. Who will Mr.
Pandarus chose?

ELI PANDARUS walks down the line eyeing the hopefuls. He
turns and winks knowingly to the camera.

FU - applauds Pandarus, pumping his fist in the air.

8 FU DOG
Eli! Eli! Eli!

9 JAKE
Wait, Eli Pandarus?

10 FU DOG
Yeah, he's sponsoring the
pageant... holding it on his
private island.

Jake waves his hand in front of Fu's face. Fu looks around
Jake's hand to watch the TV.

11 JAKE
Uh, hi... reality check. Eli
Pandarus. Lying, cheating, evil
wizard. Ring any bells?

Jake awkwardly strains his neck to get a look at the TV.

12 JAKE
And call me old school, but a "fine
lookin' lassie" should only have
one head.

ON TELEVISION - A BEAUTIFUL WOMAN. The camera PANS to reveal
ANOTHER BEAUTIFUL HEAD... WIDEN to REVEAL they are on top of
the same LIZARD BODY.

13 FU DOG
All I know is, the guy who
organized the first magical beauty
pageant can't be all bad!

14 KARA (O.C.)
Think again, genius...

Jake and Fu Dog turn to see...

KARA and SARA (THE ORACLE TWINS) standing in the doorway.

15 FU DOG
The oracle twins!

16 SARA
Hi! We had a vision about the
pageant. Pandarus is up to
something. Something unspeakably
horrible!

A beat, and Jake finally loses his balance, falling off the
TV in a .

17 JAKE
Ahhhhhh!

18 SARA
Oh. And Jake's gonna fall.

19 JAKE (O.S.)
Aw, man.

INT. GRANDPA'S SHOP - CONTINUOUS

ON TELEVISION - ALL SNOWY. WIDEN as GRANDPA hits it with the side of his hand. The picture comes in perfectly. A NYMPH shows off a pair of killer heels.

20 GRANDPA
Fu Dog! Have you been messing with
the antenna again?

Fu looks down at Jake, tangled in foil, a flying pan and the TV antenna. He "subtly" kick/scoots the Jake-mess aside with one foot.

21 FU DOG
No. Of course not.

SARA points to the TV set.

22 SARA
Ohhh! Look at those heels! She's
gonna have a tough time running for
her life in those!

JAKE - now back on his feet, is unimpressed in an 'I want to impress you' way.

23 JAKE
Look I could figure out what
Pandarus is up to, no sweat! But
since you guys are hooked up with
'Future on Demand Pay Per View' why
don't you just save me the trouble.

Kara scoffs at the idea.

24 KARA
It's not that easy. We know
something bad's gonna happen, but
we don't know what... or how. It's
not an exact science. Well
sometimes it is, but mostly it's a
kind of hit or miss thing--

25 GRANDPA
ENOUGH! We must go to Pandarus
Island.

26 JAKE
Yo, G! His island is sealed up
tight... and I'm guessing his
mortal enemies aren't on the guest
list. Unless he's having a mortal
enemy party. Which I doubt. But
if he is-

28 GRANDPA (O.S.)
We aren't allowed onto the island,
but pretty girls are.

In front of the ferry, JAKE & FU DOG walk up to a waiting

VERONICA. (NOTE: SHE STANDS BEHIND SOME CRATES ON THE DOCK.)

29 FU DOG
Now there's a face could launch a
thousand ships... or just one
headed for Pandarus Island! This is
what I call a mission.

30 VERONICA
Fu Dog! I haven't seen you in an
gnome's age.

Fu Dog moves in to give Veronica a kiss on the lips. She
turns her head, dismissively, offering only her cheek.

31 FU DOG
Jake, buddy... you remember Vah-vah
vah- ronica!

Fu elbows Jake in the ribs. Jake shakes his head 'no'.

32 JAKE
Uh... I don't know...

FU DOG rolls his eyes and walks towards the crates. He pushes the crates aside with all his might (his legs spinning comically as he pushes a la the Flinstones) revealing...

33 JAKE
Fu, I'm sorry I just don't remem-
Veronica's EIGHT HAIRY SPIDER LEGS. Jake recoils with disgust.

34 JAKE
Whaa! Yeah, that rings a bell.
Grandpa joins them with tickets for the island in hand.

35 GRANDPA
Veronica will enter the pageant as Miss Magical New York City. And we will be traveling incognito as her stylists.
Grandpa slaps a beret on Jake's head.
Fu nudges Veronica.

36 FU DOG
How's about a little game of footsie before we save the world?
VERONICA - coyly dismissive.

37 VERONICA
Oh, you!

INT. BACKSTAGE BEAUTY PAGEANT - DAY

Veronica, Grandpa, Fu Dog and Jake walk backstage. There are NERVOUS CONTESTANTS littering the hallways.

38 CONTESTANTS
Emil, where's my tutu?/ Can someone powder my horn?/ That gargoyle is wearing my dress!

Grandpa spots the registration booth.

39 GRANDPA
Veronica and I will check in. You
two, learn the ways of your enemy.

Jake begins to case the joint. Fu, eyes popping out of his
head, cases the contestants.

40 JAKE
Four guards, two exits...

41 FU DOG
And one hundred chances for love
sweet love!

Fu Dog's leg starts shaking in excitement. Jake slaps a hand
over his mouth.

42 JAKE
Fu! Take it easy. I'm gonna go
check out the stage.

Jake pulls his hand away, shaking off the DROOL attached to
it.

43 FU DOG
Great. I'm gonna go check out Miss
Bermuda Triangle... and, buddy, if
I come up missin', don't send a
search party!

QUICK CUTS of Fu Dog getting his fill of the ladies...

FU DOG - eyeing a GORGEOUS BRUNETTE (CENTAUR) (NOTE: We see
her from the waist up only.) Fu looks behind her.

44 FU DOG
Sheila! Good to see ya again! How
'bout later, you and me take a ride
around the ring?

The brunette turns TO REVEAL A FULL HORSE BODY. She's a
female CENTAUR. Fu Dog SLAPS her on the rump.

45 FU DOG
Giddy-up!

The Centaur, furious, kicks Fu across the stage. Fu Dog

CRASHES into a costume rack. A barrage of hats falls on top of his head in a stack.

46 FU DOG
Hoo-doggie, we got a live one here!

ZIP PAN TO FU - in full romantic mode. He MAGICALLY PRODUCES A FLOWER and holds it out to someone we can't see.

47 FU DOG
Hey there, Iris. Long time no see.

CLOSE ON ONE BIG BEAUTIFUL BLUE EYE. It blinks coyly.

48 FU DOG
How about making me your pupil for the day? Get it? Pupil?

WIDEN TO REVEAL the eye belongs to a CYCLOPS. Her one eye rolls at Fu Dog's joke.

ZIP PAN TO FU - sitting in A STEAM ROOM with a towel wrapped around his butt. He leans over towards an unknown, off camera, target.

49 FU DOG
I see you, you, you... and me getting to know each other better over a romantic bowl of kibble...

At the sounds of we PULL BACK TO REVEAL CERBERUS, the three headed dog of Hades. They corner Fu against the wall.

50 FU DOG
Whoa, ladies don't fight, there's enough of the Fu to go around.

ANGLE ON THE DOOR, as Jake sticks his head in, annoyed.

51 JAKE
There you are!

Jake grabs Fu by the collar and drags him out just as Cerberus lunges for Fu. Cerberus the closed door

head on.

52 JAKE
Yo Fu, you can't go around treatin'
women like this. You gotta have a
little class.

53 FU DOG
Hey, they're the one's who've put
themselves on display, kid. I'm
just enjoying the view.

A cute WOOD NYMPH flies by Fu Dog. He calls after her.

54 FU DOG
Hey Carol! Wanna shake those
things my way?

The Wood Nymph wheels around and SLAPS Fu in the jowls. She
flies away huffy. Fu calls after her.

55 FU DOG
Your wings! I was talking about
your wings! (then) Ah, whaddaya
expect from a ditsy dame.

Jake rolls his eyes.

Jake, disgusted, sprays Veronica's legs. Fu, not helping,
watches the contestants who are LINED UP ready to go on.
Cerberus walks out on stage.

68 MONTY HALL (O.C.)
Miss Hades! She loves the color

Fu! Some help here?!

FU, still distracted, pulls out an 8-inch stiletto heel.

70 FU DOG

Fu distractedly places eight heels on Veronica as he watches
A HUNCHBACK walk out on stage. WE HEAR...

71 MONTY HALL (O.S.)

WINCES IN PAIN.

76 VERONICA
Ow!

77 JAKE
What is it?

78 VERONICA
My leg!

Jake surveys her mass of tangled legs.

79 JAKE
Well that narrows it down.

80 FU DOG
Veronica! You okay, doll? Can you
get up?

Veronica shakes her head no.

81 JAKE
But, she's next! Yo G, what are we
gonna do?

82 GRANDPA
Did you know, in Chinese Opera

INT. PANDARUS AUDITORIUM - BACKSTAGE - DAY

CLOSE ON FU DOG as he marches off stage, furious. Jake and Grandpa frantically try to get him to keep his voice down.

87 FU DOG
I'm a 600 year old sharpei! I got
wrinkles on my wrinkles. I'll never
pull this off.

88 JAKE
Come on, Fu. Just go with it.

89 FU DOG
Easy for you to say. You're not
the one squeezed into a size six!

Fu pulls his feet out of his heels with a !

90 FU DOG
And what does a dog have to do
around here to get some pumps that
fit?!

THE STAGE MANAGER rushes by.

91 STAGE MANAGER
I need all contestants in the
dressing room, please!

FU'S POV - RAPID PUSH IN ON THE DRESSING ROOM DOOR. A LEG spans the door a la Mrs. Robinson in 'The Graduate'. A STOCKING seductively rolls off the leg. A TAIL swishes by. FU - mutters to himself.

92 FU DOG
You think this is easy, prancing
around like some-- (then realizing)
Did you say, d-d-dressing room...?

He turns to Grandpa and Jake, his anger dissipated.

93 FU DOG
You know, on second thought, I
think I'm just the dog for this
gig...

FU - throws a , turns, and sashays into
the dressing room, announcing in a HARSH FALSETTO...

94 FU DOG
Hello girls! Fuella has arrived!

JAKE, GRANDPA and VERONICA - mouths agape, watch him go as...
PANDARUS, flanked by TWO OGRE HENCHMEN, approaches Veronica,
loading her up onto a stretcher.

95 PANDARUS
Don't worry, beautiful. I'll get
you the best medical attention that
money can buy. As long as it's off
the island.

Pandarus nods to his henchmen who carry her away.
As the Henchmen carry Veronica away, Jake moves to help her.
Grandpa holds him back. He calls out...

96 JAKE
Wait--!

ANGLE ON PANDARUS as Jake catches his eye.

97 PANDARUS
You... something about you seems
familiar. Do I know you?

Jake panics, then, thinking quickly, jumps into action.

98 JAKE
I... did... your hair! When you
taped Good Magical Morning New

Jake hesitates, not quite sure this is working. Then, going
with it, he reaches up and tussles Pandarus' hair.

99 JAKE
You know, you could use a good
jujging.

Grandpa nods at Pandarus and drags Jake away.

INT. DRESSING ROOM - DAY - CONTINUOUS

FU DOG, (giggly and girly) and THE HUNCHBACK are sitting in
front of lighted dressing room mirrors.

102 FU DOG
So, what say we girls start a
sorority and have a pillow fight!
Who's in?!?

Jake approaches standing next to Fu waiting for Fu to
acknowledge him. Fu, angry, doesn't.

He grabs a pillow from the nearby couch and hits it playfully
against the hunchback's hump.

103 FU DOG
Oops!

Jake . Fu, begrudgingly, drops the pillow.

104 FU DOG
Suzie, this is my stylist, Sven.

Jake mocks shock, picking up a strand of the HUNCHBACK'S
HAIR.

105 JAKE
Eeeek! Split ends!

The HUNCHBACK and runs away.

106 HUNCHBACK
Nooooo!

Once they're alone, JAKE leans in to Fu.

107 JAKE
Fu, this isn't the time for pillow fights.

108 FU DOG
Bite your tongue!

109 JAKE
Remember what Monty Hall said? If you're eliminated from the competition, we're out of here.

110 FU DOG
You mean I actually got to try and win this thing?

111 JAKE
Well... just... try and stay alive in the contest until we figure out what Pandarus is up to.

112 FU DOG
I'm on it. You can trust Fu. From now on, my one and only focus will be staying in the game. No more distractions.

Jake nods, relieved he's finally gotten through.

113 JAKE
You're my dawg. Okay... I'm gonna go find G.

As Jake is walking out, he's stopped in his tracks when A WOOD NYMPH approaches Fu Dog. (NOTE: Only seen from the front)

114 WOOD NYMPH
Fuella, can you zip up my dress?

Fu winks to Jake and gleefully replies...

115 FU DOG
What are best-est girlfriends for?

Fu starts to HOWL, but catches himself.

116 FU DOG
Owww-ow'll be right there.

JAKE - rolls his eyes, and pulls Fu away.

to me like it's Dragon Time!

Jake and Grandpa GO FULL DRAGON and scale the gold walls of
the Pandarus compound.

Above them, AN OPEN WINDOW - Pandarus appears in it. He is
talking to someone in the room. PUSH IN TO REVEAL MONTY HALL.

133 PANDARUS
Is everything ready for tomorrow?

134 MONTY HALL
The secret altar is under the

on Jake and Grandpa's claws.

137 JAKE
Ahhhhh! Oh, oh... ooowww!

Jake pulls his claws free, tucking them under his wings. He's
in too much pain to realize he's free-falling. Grandpa
manages to slither down the wall. He looks down helplessly,
watching Jake fall.

Jaaake! Looook dooown!

Hey, there's a trap door center
stage. I got my heel caught in it
yesterday and almost took a face
plant.

155 JAKE
Sweet. We can sneak in through
that.

156 FU DOG
Problem is, the whole arena's

157 GRANDPA
Then that's when we make our move.

ANGLE ON JAKE - wolfing down his breakfast, but he's watching
something else out of the corner of his eye.

ON SANTA - deeply entrenched in a call on his cell phone.

163A-ALT. SANTA CLAUS

We gotta halt production on those Burping Betty dolls. Turn out they burp outa the wrong end. The kids love it but the parents, frankly they expect more from the "Santa" name.

CUT TO:

INT. DRESSING ROOM - CONTINUOUS

THE CONTESTANTS are abuzz making last minute preparations.

ANGLE ON THE DOOR - Pandarus enters.

164 PANDARUS
Ladies!

AN OGRE HENCHMAN - stopping everyone in their tracks.

165 PANDARUS
I just wanted to wish you all good
luck today in the finals... the
winner is going to need it.

Fu turns to Jake.

166 FU DOG
I'm not ready! I need time to get
my glam on!

He quickly turns, just as an OGRE MOVES OUT OF THE WAY. He
into Pandarus, who reacts with anger, raising his
arm to Fu.

167 PANDARUS
You!?

WIDE TO REVEAL the whole room watching. Fu takes, thinking
he's busted.

168 FU DOG
Me? No... I'm just a girl, like
every other girl here, trying to
make my way in this zany, mixed up
world...

PANDARUS shrugs and moves on.

169 PANDARUS
Ah, what do I expect from a ditsy
dame?

Pandarus turns on his heels, and walks away just as Fu lunges
for him. Jake holds Fu back.

CLOSE ON FU - his chin begins to quiver.

170 FU DOG
Ditsy dame? What does he think I
am? A piece of meat with no
feelings? If you poke me, do I not
giggle?
(voice cracking)
It's like he doesn't even see the
real me...

WIDEN TO REVEAL Fu has an audience of sympathetic
contestants.

171 CONTESTANTS
Who does he think he is?/ We get no
respect!/ We hear ya'!

Jake disappears behind a crush of girls as the Wood Nymph
wipes tears from Fu's eyes.

172 FU DOG
Some men are such dogs!

173 WOOD NYMPH
You said it, sista!

STAGE MANAGER - swings the door open in a tizzy.

174 STAGE MANAGER
Places everyone, places!

INT. PANDARUS AUDITORIUM - STAGE - A FEW MINUTES LATER
Sweeping music, as a BUSBY BERKLEY-ESQUE number gets under
way.

THE CONTESTANTS - sweep in one by one in full SOUTHERN BELL
COSTUMES complete with HOOP SKIRTS, BONNETS and SHEPHERD
CANES.

175 MONTY HALL
(fake Southern Accent)
Well, I'll be. It's the dance of
the Southern Bells. Is it hot in
here or is it just them?

FU - enters stage left tripping onto the stage...

ANGLE ON HIS HOOP SKIRT - which seems to hang a beat behind
him. He smiles a beauty pageant smile and whispers out of the
side of his mouth...

176 FU DOG
Keep up!

The girls wave and change directions.

ANGLE ON FU - his skirt doesn't change direction with him.

177 FU DOG
Other way! Other way!

ANGLE UNDER FU'S HOOP SKIRT -- Grandpa and Jake are on their hands and knees CRAWLING WITH THE SKIRT trying to keep up.

FROM ABOVE WE HEAR -

178 FU DOG (O.C.)
Sashay, sashay...

CLOSE ON JAKE'S FACE - rubbing against Fu's hairy legs.

179 JAKE
Ulch. Should'a made him shave his legs.

WIDE ON NUMBER - Fu heads for center stage, stopping right in front of the trap door. He whispers.

180 FU DOG
Here we go... okay... now!

Fu uses his cane to pull up the bottom of his skirt. Jake and Grandpa roll out the back of the skirt and disappear down a

TRAP DOOR.

FU - does a PAGEANT WAVE, muttering instructions to himself as he walks away from the door.

181 FU DOG
(fading out)
Elbow, elbow, wrist-wrist-wrist.
And smiles... always smiles...

THE TUNNELS-
JAKE & GRANDPA - find themselves in
a SERIES OF DARK CATACOMB

LIKE TUNNELS.

182 GRANDPA
Come, we must hurry.

A is heard echoing from the tunnel.

183 JAKE
No arguments here.

Grandpa and Jake run in the opposite direction.

PANDARUS AUDITORIUM-
ON STAGE - Fu walks on in a 1950's
ONE PIECE BATHING CAP AND HEELS. He
carries a pail of sand, but trips,
dropping it into the judging booth.

184 FU DOG
OFF THE ANNOYED FACES OF OUR JUDGES
we cut to...

THE TUNNELS-
JAKE & GRANDPA - facing a DEAD-END.
The tunnel goes in both directions.
THE SHADOW of TWO OGRES flashes on
the wall to the right. Jake points
in the opposite direction and
runs...

185 JAKE
This way!

PANDARUS AUDITORIUM-
ON STAGE - The Contestants walk the
stage in SWIMSUITS. ANGLE ON FU -
as he STEPS ON THE CONTESTANTS WRAP
AROUND SARONG/SWIM SUIT SKIRT in
front of him. WIDE TO REVEAL - that
girl FALLING and knocking all of
the girls down LIKE DOMINOS.

186 CONTESTANTS

187 FU DOG
Sorry.

FU - smiles sheepishly, the only one standing. We...

CUT TO:

INT. TUNNELS

JAKE & GRANDPA - entering a room that has an eerie makeshift
altar in it.

188 JAKE
An altar?

GRANDPA - walks to the altar and picks up an ANCIENT STONE
TABLET. He reads it.

189 GRANDPA
Ah, the Prophecy of Connubius.
(then reading)
He who weds the fairest creature of
them all at the stroke of midnight
on the day the planets align shall
become the mightiest wizard in the
land...

190 JAKE
So, Pandarus is gonna--.

JAKE - looks up at a noise.

191 JAKE
We got company, G!

Jake and Grandpa quickly DRAGON UP as TWO OGRE HENCHMEN walk
into the room.

Jake and Grandpa exchange a nod, and dive for the Henchmen's
stomachs. The henchman fly back against a wall.

Jake and grandpa BACKFLIP back to their feet and pose, ready
to fight...

WHEN A NET falls on top of them from behind. Jake and
Grandpa struggle in the net and MORPH into HUMAN FORM.

192 JAKE/GRANDPA
/ This net.. it's

Sphinx hair...

PANDARUS - steps into the light.

193 PANDARUS
The only substance that renders a
dragon absolutely powerless. Now
if you'll excuse me, I have to go
marry the winner of the pageant,
and become the mightiest wizard in
all the land. Not to mention the
evilest.

OFF JAKE and GRAMPA'S worried looks we...

FADE OUT.

END OF ACT TWO

ACT THREE

INT. PANDARUS AUDITORIUM - BACKSTAGE - SAME DAY

FU - paces, worried, talking to someone we can't see.

194 FU DOG
What the heck is taking Jake and
Grandpa so long? (Beat) It's just
impossible to get reliable stylists
these days! I could screech!

WIDEN TO REVEAL - Fu is pacing back and forth in front of
IRIS the cyclops from before. Her giant EYE is .

195 FU DOG
I mean, I can't do a thing with my
hair, all these outfits make me
look 'hippy' and they're off
gallivanting!

INSERT - Jake and Grandpa being muscled down a tunnel.

BACK ON FU - as he continues to pace.

196 FU DOG
Seriously, they can't stop to think
about anyone but themselves, you
know what I'm saying?

Fu stops, realizing that Iris is crying.

197 FU DOG
Hey, hey, there. What gives, Iris?

198 IRIS
I... I can't go on. I'm just not
pretty enough. I'm all eyeball.

199 FU DOG
What? No way. You're beautiful and
smart and have a great sense of
humor. Remember that crack you
made in aerobics? You had all the
girls rolling.

200 IRIS
But no one cares about some stupid
joke...

201 FU DOG
That's not true. I care.

IRIS looks up at Fu, a glimmer of hope shining in her eye.

Fu offers her one of his wrinkles.

202 FU DOG
Here, dry your eye...

203 IRIS
Thanks, Fuella. You're a peach.

Iris stretches Fu's fur out to dry her eyes, then HONKS her nose into it.

THE STAGE MANAGER - rushes past Fu.

204 STAGE MANAGER
It's time for the personality
contest. Fuella, you're up!

205 FU DOG
What? I'm not rea--

The Stage Manager pushes Fu forcefully onto the stage,
yanking his fur out of Eileen's hands.

206 FU DOG
--eeeeey!

MONTY HALL - stands next to Fu Dog.

207 MONTY HALL
Are you ready, beautiful? Nervous?

FU - coyly nods yes.

208 FU DOG
Yes.

209 MONTY HALL
I'm sure you'll do great. Okay,
first question from that Master of
the Deep Freeze, Jack Frost.

JACK - bored to tears.

210 JACK FROST
Yeah, hi. I'm gonna keep my
question simple. What's your
favorite season?

FU - looks nervously, like this must be a trick question.

211 FU DOG
Uh... winter?

JACK FROST - nods, impressed.

212 JACK FROST
Oh, I like her! Do you like her? I like her!

213 MONTY HALL
Next....a quarter for her thoughts, that's right, it's The Tooth Fairy.

214 TOOTH FAIRY
Ooohhh! I love this part! Let's see those pearly whites!

WE FOLLOW THE TOOTH FAIRY as she flies over to FU, and CRANKS HIS MOUTH OPEN.

215 FU DOG
Oh! Hi-aaaaaahhh!

ANGLE ON - The Tooth Fairy examining Fu's teeth like he was a horse at auction.

CLOSE SHOT OF FU'S MOUTH - it isn't pretty. QUICK HORROR CUT INS with MUSIC STINGS TO REVEAL -- FOUR CAVITIES, PLAQUE ALL OVER THE BACK TEETH, HIS GUMS PULLING AWAY.

TOOTH FAIRY - pulls away horrified.

216 TOOTH FAIRY
Oh... oh, pardon, me, I

just didn't expect... .

She flies away, , flying through the BACKSTAGE bathroom door.

Monty pats an upset Fu on the back.

217 MONTY HALL
Oh, tough break Fuella... let's see what our celebrity guest has to say.

SANTA - points to Fuella, unfurling a giant scroll.

218 SANTA CLAUS
Sorry. You are definitely on my
naughty list.
(beat)
And my ugly list. Talk about a
bowl full of jelly. .

CLOSE ON FU - whose lip begins to quiver. He finally
explodes.

219 FU DOG
Forget it! No matter how hard I
try, I just can't look like the
women in those fashion rags. And my
personality is about more than my
teeth or my pear-shaped figure!

FU - looks around at the other contestants.

RAPID CLOSE UPS - of different contestants looking on.

220 FU DOG
I look around this room, and do you
know what I see? I see the
smartest, most accomplished, dames
I've ever had the good fortune to
know. Did you know Janice there has
a Ph.D. in molecular biology?

WHIP PAN TO - a stunning blond, WOOD NYMPH, looking up from a
microscope.

221 FU DOG
Lucia, right there, she's the one
who designed the ancient pyramids!

WHIP PAN TO - A SPHINX. She unfurls a blue print to the
pyramids.

222 FU DOG
And Bertha, well, Bertha's dumb as
a post, but she bakes a great
cobbler.

WHIP PAN TO - THE GIANTESS. She holds a freshly baked,
steaming cobbler pie in her OVEN MITS.

223 GIANTESS
Ovens is hot.

ON FU - as he continues.

224 FU DOG
And what have you done with these
amazing women? Pitted them against
each other and treated them like
pieces of meat.

Fu lifts his fake chest awkwardly and continues.

225 FU DOG
Well, I'm here to tell you, you're
all better than that... and me, I'm
already a winner just for gettin'
to know ya... Cause you ladies are
beautiful...

Fu emotionally points to his heart.

226 FU DOG
...in here, and that's all that
really matters!

PANDARUS - leaps to the stage.

227 PANDARUS
Get this sniveling nobody off my
stage, and crown a winner!

CERBERUS - walks forward shoving her competition number in
Pandarus' arms.

228 CERBERUS 1
You can take your pageant and stick
it in your ear, Pandarus!

229 CERBERUS 2 & 3
Yeah!/See ya, wouldn't wanna be ya!

IRIS - walks forwards standing next to Fu.

230 IRIS
Yeah, this pageant is whack
anyway... real pageants create
opportunity for women!
Scholarships! Philanthropy!
Chances to give mind numbing
speeches about World Peace!

The Contestants rally around IRIS and Fu, throwing their

contestant numbers at Pandarus.

231 CONTESTANTS
Yeah!/ I'm outta here!

232 CERBERUS
The only way you can pull this sham
of a pageant out of the mud is by
naming a real woman as the winner.

CERBERUS thrusts Fu Dog forward.

233 CERBERUS 2
I say we give the crown to Fuella,
for having the courage to tell the
truth!

They gather round, and chant Fu's name. Fu is touched.

234 CONTESTANTS
Fuella! Fuella!

ANGLE ON PANDARUS - fuming behind this crowd.

INSERT - PANDARUS' WATCH - it's 11:45.

235 PANDARUS
Okay, that's it! Frost, Stitch,
Fairy... let's get on with it -- I
need a winner! If everyone else has
withdrawn, then make it her.

WE FOLLOW HIS POINT - to Fu.

236 PANDARUS
I don't care if she is a complete
dog!

THE JUDGES - shrug their shoulders, and agree.

237 JACK FROST
Fine. Fuella it is!

238 MONTY HALL
Ladies and Gentleman, I introduce
to you the new Miss Magical World,
and officially 'The Fairest of Them
All'-- Fuella!

CLOSE ON FU - he and starts to cry,

flapping his hand to keep his mascara from running.

As The Contestants crowd around, Monty places A TIARA on Fu's

head and hands him a PLAQUE READING 'Fairest of Them All'

(NOTE: Below it reads, 'Trademark, Pandarus Inc.').

FU - walks down the runway crying hysterically, mascara pouring down his face.

239 MONTY HALL
(starting to sing)
Miiiiis Magicaaaaaa-

PANDARUS - runs forward, grabbing the mic from Monty Hall.

240 PANDARUS
Okay, that's enough.

Pandarus grabs Fu's wrist and pulling him towards the TRAP DOOR.

241 FU DOG
Watch the dress buddy, it's
couture! Uh, hey... we're we goin'?

The crowd goes quiet, stunned, watching as Pandarus stops and addresses Fu.

242 PANDARUS
Well, now that the pageant is over,
I guess I can spill the good news.
We're off to fulfill an ancient
prophecy. I marry you, and I become
not only the most devilishly
handsome wizard in the world, but
the most powerful as well!

243 FU DOG
How nice for you. There's just one
problem...

Fu dramatically pulls his wig off. The crowd .

THE CONTESTANTS - react with disgust.

244 CENTAUR
Look! It's that jerk who was
hitting on us yesterday!

Fu's voice lowers as he speaks.

245 FU DOG
That's right! How's that prophecy
lookin' now?

Fu grins at Pandarus, sure he's won. Pandarus grins back.

246 PANDARUS
It's looking fine, all I need to do
is marry 'The Fairest of Them All',
which, according to your tiara and
plaque, is you. Ta-ta everyone!

Pandarus pulls Fu back and they DROP THROUGH THE TRAP DOOR.

A PAIR of OGRE GUARDS step over the door as it shuts.

247 DELETED

INT. UNDERGROUND WEDDING CHAPEL - MOMENTS LATER

Pandarus pulls Fu Dog into the chapel. A LEPRECHAUN stands in
front of the altar. He's so short he can't see over it.

PANDARUS - glances to the back of the room.

248 PANDARUS
This worked out perfectly. I needed
two witnesses to our blessed union,
and voila, here you two are just...
hanging around.

WIDEN TO REVEAL - Grandpa and Jake, hanging, chained to the
far wall, the sphinx net still over them. Pandarus pulls Fu
Dog to the front of the altar.

249 JAKE
Fu! Watch out! Pandarus plans to
take the winner of the contest and
make her his bride!

250 FU DOG
Uh, you're looking at her kid.

251 GRANDPA/JAKE
What?/ No way!?? You won?

252 FU DOG
Oh, and that's sooo hard to
believe?

253 PANDARUS
Let's get this over with!

The Leprechaun steps up on a box to be seen over the altar.

He glances at Grandpa and Jake. He is VERY nervous.

254 LEPRECHAUN
Welcome. We have chained here
together... I mean, gathered here
together...

255 PANDARUS
Just get on with it!

The Leprechaun quickly flips forward in his book.

256 LEPRECHAUN
Dearly beloved... yada yada...
gathered here today... yada yada...
anyone have any objections?... yada-

From the back of the room, a female voice...

257 IRIS (O.C.)
We do!

All heads turn, and THE CAMERA TURNS WITH THEM LANDING ON The
Contestants standing at the back of the room ready to rumble.

FU - shrugs to Pandarus....

258 FU DOG
Guess they couldn't stand to see me
off the market.

With that, QUICK CUTS of a Kung-Fu fight begin:

Pandarus grabs Fu and scurries to the corner of the room. A
WALL OF OGRES surrounds them.

The CENTAUR uses her hind legs to kick the front in a row of
ogres. They FALL LIKE DOMINOS.

TWO FAIRIES stretch out a PAIR OF FISHNET STOCKINGS and trip
of ROW OF OGRES running into the room.

THE GIANTESS places two BLOND WIGS BACKWARDS on the heads of
TWO OGRES. Disoriented, they run into each other, knocking

each other out.

THE HUNCHBACK blinds an ogre with HAIRSPRAY.

CERBERUS runs to Jake and Grandpa gnawing off the net.

259 JAKE
You girls rock!

Freed, Jake, Grandpa and The Contestants approach the line of Ogres protecting Fu and Pandarus.

Jake and Grandpa battle through line after line of Ogres, but for every Ogre they defeat, two more step up. Soon, they reach a solid wall of Ogres.

Holding huge spears, the Ogres appear impenetrable, until...

A HIGH PITCHED is heard. ZIP PAN to THE MERMAID as she hits a .

260 MERMAID
Eeeeeeee!

The GLASS OF HER TANK SHATTERS, and a massive wave of water hits the Ogres washing them out of the way.

Pandarus and Fu Dog are alone. As the women advance, Pandarus cringes like a baby, and pushes Fu forward in surrender.

261 PANDARUS
Take him. Take him! Just don't hurt me!

262 FU DOG
Whoo! Now that's what I call girl power!

DISSOLVE TO:

EXT. BOAT LAUNCH -- DAY

Jake and Grandpa walk off the boat platform. Behind them...

...Fu walks arm in arm with The Contestants a la Leonardo DiCaprio in 'Catch Me if You Can'. They stop.

263 FU DOG
Ladies, I gotta hand it to you...
you really saved my tail in the end
there, so... thanks.

Fu wags his TAIL gratefully.

264 WOOD NYMPH
Yeah well, we're still mad that you
lied to us--

265 IRIS
But, we're also awful proud of you
for standing up for us.

266 FU DOG
You know, I meant every word. Trust
me - I was a better dog as a woman
than I ever was as a dog.

ON JAKE and GRANDPA, watching this, impressed.

267 JAKE
Wow. Fu Dog has really come
around.

BACK ON FU - as he smiles at the women.

268 FU DOG
I must say, I'm grateful all you
ladies. This entire weekend has
been a test for me. I test, which
I feel, I passed.

Hugs all around. Fu's arms reach behind The Hunchback. She
jumps.

269 HUNCHBACK
Hey! Hands off the hump!

Fu apologetically removes his hand and shrugs.

270 FU DOG
I said I passed. I didn't say I got
an A.

FADE TO BLACK.

THE END
